Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Madam:

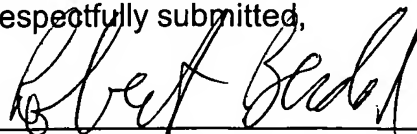

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(4), i.e. prior to a first Office Action on the merits after the filing of a request for continued examination under § 1.114.

Attached are copies of two Japanese patent publications, which were first cited on May 12, 2006, in the attached Japanese Office Action, issued in connection with the counterpart foreign patent application. Japanese patent publications Nos. 2002-016173 and 2002-231854 were previously submitted with the IDS filed on November 3, 2004, and are thus not being resubmitted herewith. However, English-language translation of the JP 2002-016173 is being submitted, which may provide further relevance of this document. Also attached are English-language abstracts/translations of the Japanese Office Action and respective ones of the publications, from which any relevance of the publications may be gleaned. Also attached is an English-language abstract and translation of WO 98/15981, which corresponds to publication No. JP 2000-516044 A, and from which any further relevance of the publication can be gleaned. The publications are listed on the attached Form PTO-1449.

Since this Information Disclosure Statement is being filed before a first Office Action on the merits after the filing of an RCE, no fee is required, and the requirements of 37 C.F.R. §§ 1.97 and 1.98 are deemed to be fully met as to all listed documents. Consideration of the listed documents is respectfully requested.

Should any fee be required, however, the Commissioner is hereby authorized to charge the fee to our Deposit Account No. 18-0002, and notify us accordingly.

Respectfully submitted,
